

Best Practice 2:

1. Title:- Adopted Village

The College first adopted a village name Mererchar which falls under Tapattari Block in the district of Bongaigaon in the year 2014 .The institution has adopted the present adopted village Sontoshpur Pt-2 in 2019 under Sontoshpur- Dumrguri G.P in the district of Bongaigaon (Assam)

2. Objectives of the best practice:

The primary objective of adopting the village is to spread the idea of social service and inculcate the value of community programme among the people residing in the area of adopted village with the help of students and faculty members of the college.

3.The context (Outcome):

Democracy ensures that every citizen should get opportunity to uplift them selves socially and economically irrespective of caste, creed and religion. Being the village considered as adopted it is the responsibility of the faculty members, other staff members as well as students of the college to uplift the resident of the adopted village with prosperity and help them to develop socially, economically and educationally.

4.The Practice:

- a.The faculty members of the college occassionally take classes in the adopted village from Lower Primary to High School level. Classes in the village taken in the subject English.
- b. Health related awareness programme are held frequently in the adopted village.
- c.The faculties of the college sometimes distribute free books to the students belonging to the adopted village .
- d. The students belonging to the adopted villages get preferential treatment in respect of admission to the college UG courses.
- e.The college conduct cleanliness programme frequently at the adopted village with involving the volunteers of the NSS unit and student as well as faculty members .
- f. Survey of the village on pure and safe drinking Water,cleanliness ,soil Erosion and environment has been done.

Evidence of success :-

The classes taken from Lower Primary level to High School level help the students to score good marks in the subject taught in academic career and achieving success in other field.

The cleanliness programme conducted make the people aware about the benefit of cleanliness and make their village clean and hygienic.
